### c) Flight Details

The screenshot shows the 'Flight Details' page of the Airplane Reservation System. The browser address bar displays 'localhost:8090/AirplaneReservation/flightuser.jsp'. The page has a dark header with the same navigation links as the homepage. The main content area has a dark purple background with the title 'Flight Details' in large white text. Below the title is a table with flight information.

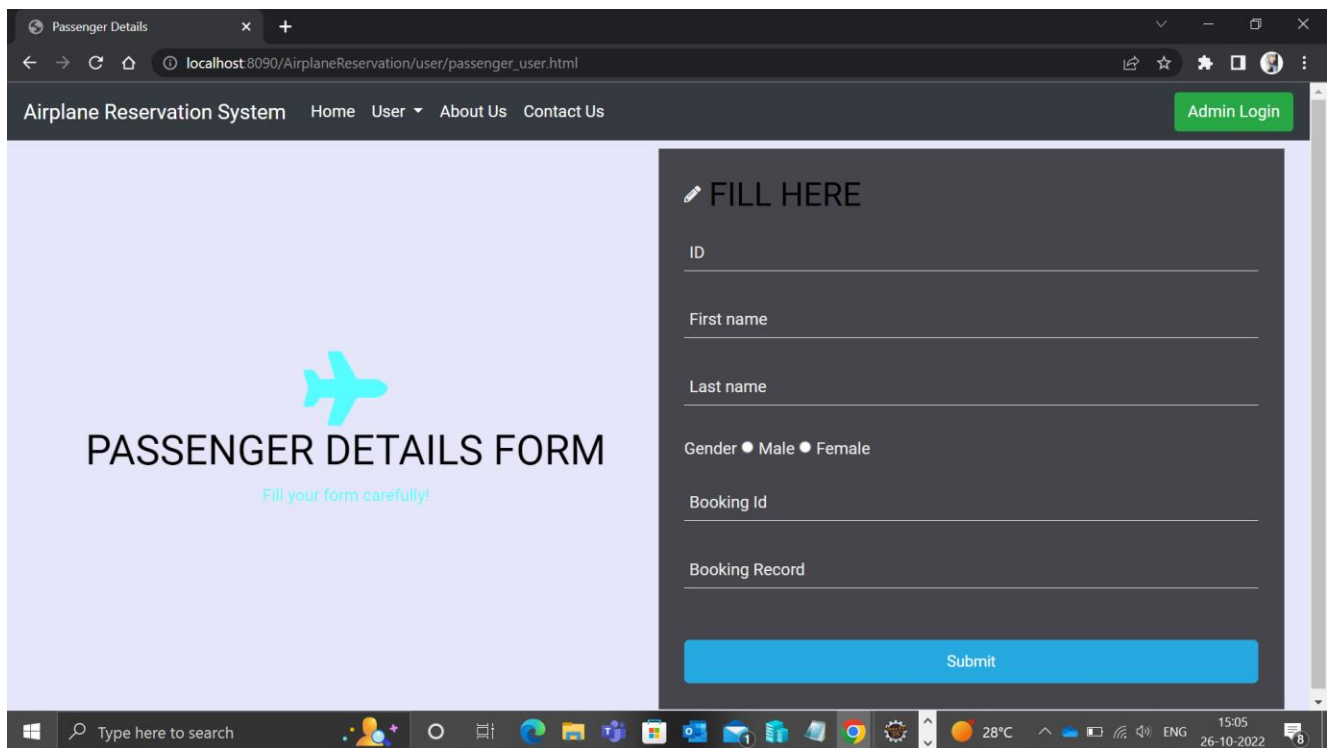

ID	Flight Date	Flight Number	Fare
1	2022-10-27	123abc	7000
2	2022-10-23	456def	6500

The Windows taskbar at the bottom shows the system time as 15:05 on 26-10-2022.
